ARARAT WEST PRIMARY SCHOOL MISSION STATEMENT: *Developing in our children an interest in learning and a desire to be their best; utilising their skills and attitudes to enable them to reach their full potential in society*

MR. K'S CORNER

As we move into week four of Term, we continue to deal with Covid cases throughout our community. In the current environment please remember to collect RATs from the school office and if your child is unwell, they should remain at home until fully recovered.

This week the classes across the school are in full swing with production practice and the lead roles are also busy learning their lines with Mrs McCready on a Thursday and Friday. It is great to see the students getting involved in the items and no doubt it will look amazing when it all comes together. All students should be starting to get their costumes organised and bringing them to school. If you are struggling to find items for your costumes, please speak to your classroom teacher.

Next week on Wednesday August 10 we will be running a Sausage Sizzle to support the cost of our camps. Please remember to put any order into the office by Tuesday. Envelopes should be clearly labelled with student's name, classroom and order.

Congratulations to the following students who received an award this week at assembly...

Awards

Vin – Working really hard in class. Vin has been working on hearing sounds in words and carefully writing them down. He has a go at all activities and seeks help when needed. Well done, Vin!

Indi – Being a kind and caring member of our Learning Community. Indi includes and encourages her peers. She is more willing to take risks in her learning as she knows mistakes are not the end of the world. This positive outlook and willingness to work through challenges using strategies has enabled Indi to have greater focus and participate in class tasks.

Elsie – Such a positive start at Ararat West Primary School. We know that it must have been daunting coming to a new school with a lot more students. You have settled in so well and we love having you as a part of 5/6TL. You are an excellent student who always strives to achieve her best. Well done Elsie!

Jemma – Aspiring to improve your writing, Jemma you not only improved what you write about but your work on punctuation and paragraphing is to be congratulated. You are a quiet and respectful member of class who shows resilience when tackling new concepts. Super work Jemma!

Mahaliah – Consistently trying her best across all learning areas. Mahaliah, you participate in our class discussions with enthusiasm and always know what is required of you. We love sharing your love for learning, keep up the great work!

Lara – Continuously showing respect to her peers both in and out of the classroom. Lara, your genuine friendly nature is such a lovely asset to have and is something to be admired. Well done, Lara.

T Tyler – Tyler knows lots of short cuts to complete some work on the computer using the Word Program. He also is mastering 'voice to text' which is helping him record far more information.

Josh – A wonderful start to Term 3! Josh has been applying himself well in class, completing set tasks to a pleasing standard. Keep up the terrific work, Josh!

Hemi – Being a great learner. Hemi is applying himself to all learning tasks and continuing to make great progress. Keep working hard, Hemi.

Your Child's Future Begins Here

Year 1 & 2 students practicing their Multiplication and Division skills using a range of resources. They enjoyed learning about patterns and how to work out different ways of solving the problems.

NEWS

School Production

With our Whole School Production being performed early September, rehearsals are well underway. Auditions were held at the end of Term 1, they were amazing as always with some wonderful talent discovered. I am always proud and impressed by the courage of students to sing, act and just “have a go”. The main characters have been rehearsing with me for months now and have now moved into the Gym to get used to the space. Rehearsals have been difficult at times, due many students being away sick. The main focus now is for students to know their lines so that movements and acting can be finalized.

Each classroom is now starting to rehearse their dancing and singing so that it can slot into the story. It’s going to be an amazing experience for all to build teamwork, self-confidence and enjoyment. Thank you to all teachers and students on all their hard work so far and I look forward to seeing our final product!!

Ararat Disability Carers Craft Connection

Parents of children with disabilities rarely take time for themselves and can often become isolated from the community. These sessions will give you some time to do something for yourself and to connect other carers who can be great resources for strategies, information, friendship, and support.

No art/craft skills necessary!

The Pinarc Parent Support Program Coordinator will attend to provide information about carer and disability services.

New members very welcome.
